# **Southern Taiwan University of Science and Technology (STUST) 2018/19 Application Instructions for Student Exchange Program**

## **About Southern Taiwan University of Science and Technology**

Established in 1969, Southern Taiwan University of Science and Technology (STUST) is committed to nurturing her students to become global citizens and to provide them with as many international education opportunities throughout their studies at STUST.

## **About Office of International Affairs**

STUST's Office of International Affairs (OIA) is responsible for developing and enhancing international relations with overseas institutions by establishing joint student mobility programs and other academic collaborations. The OIA has administered incoming and outgoing exchange students. We also work closely with various faculties and centers at STUST on strategic partnerships in joint academic and research collaborations.

## **STUST International Exchange Program**

We are delighted that you are considering STUST for your overseas studies. If you are joining us from one of our partner institutions which have signed an exchange agreement with us or UMAP allied universities, you are welcome to join this program and our office will handle your application. This program allows you to complete a semester or a year of study at STUST. Depending on your home University's requirement, you might be able to have the results obtained at STUST credited towards your degree back home. Our student Exchange Program is a tuition fee waiver program. You should check with your home institution's International Office about the application process.

## Departments and Programs

STUST offers a wide variety of courses to exchange students. In fact, most courses are open to undergraduate and postgraduate students. You can choose from full English-taught courses and Chinese language courses. If you have a good command of Chinese, you may choose to attend our Chinese-taught courses.

### 1. Chinese Language Courses for Exchange Students

These Chinese language courses are offered for exchange students. The studying period is divided into two semesters. The purpose of the courses is to enhance students' listening, speaking, reading and writing abilities in Chinese. Courses will be subject to change according to the students' level. Please note, if you join the program in spring semester (February to June), there might not be beginner Chinese language courses available.

### 2. English-Taught Programs for International Students

## How to Apply

After checking with the international office at your university for your eligibility as an exchange student and confirming their recommendation of you to STUST (via e-mail), you can proceed your application. In order to apply, please submit the following documents:

### 1. Application Form

It is extremely important that you fill in the Application Form as accurately and completely as possible, so that our Admission Committee will not delay reviewing the documents because of unclear or missing information. (Reminder: make sure to sign the "Declaration" on the last page of the application form.) In this form, you need to write a brief statement of purpose. Although the presentation format may differ, all programs will require you to provide written reasons for wishing to join our exchange program.

### 2. Academic Transcript from home university

Submit one photocopy of the official transcript. The school's official seal or stamp must be visible on the document submitted. These documents must be in **Chinese or English**.

### 3. Health Certificate

Submit a valid health certificate (within 3 months of the test) by using the form we provide upon your arrival to the university. You don't need to send us this document. This document is required by Taiwanese government for students who enroll in a university. Your acceptance will be revoked if you fail to submit the health certificate. The form can be download on our website <http://oia.stust.edu.tw/en/node/ex1314>

### 4. Other relevant documents

Don't forget to enclose a copy of your passport and an ID photo to the application form.

#### ※ Important reminder

Please note:

- (1) Without the confirmation from the international office from your university to us, your application for exchange program at STUST will be declined.
- (2) If you are going to apply for an FS residence visa in Taiwan, **all** original documents and copies presented must be certified in the embassy or consulate of Taiwan in your home country.

## Submit the Application Documents

Please send you application documents via e-mail to your regional coordinator.

USA, South America and Europe: Ms. Chiao-Hua Lin ([lynn@stust.edu.tw](mailto:lynn@stust.edu.tw))

Australia, Korean, Thailand, India, Indonesia and Vietnam: Ms. Tina Chen ([tchen0922@stust.edu.tw](mailto:tchen0922@stust.edu.tw))

Japan: Ms. Yi-Pei Lee ([yipeilee@stust.edu.tw](mailto:yipeilee@stust.edu.tw))

## Review Process and Admission Decision

Your application will be reviewed once we have received all of your application materials: Application Form, Signature of Declaration, Academic Transcripts, health certificate, copy of passport and photo.

As soon as your application is complete and submitted, a final decision will be made on your application as soon as possible. An official acceptance letter will be mailed soon after to the mailing address you provided on the application form.

## Additional Information

### 1. Buddy Program

One or two Taiwanese student volunteer will be assigned to you as your buddies and help you with your living here. It is a wonderful way to start your exchange study here by meeting some local friends. You can choose whether you would like to participate in the program by selecting “YES” or “NO” on the cover page of the application form. If you would like to join this program, your buddies will contact you approximately at the end of our semester (late June for fall semester and late January for spring semester)

### 2. Course Selection

Course selection is done online. In the first week of the semester, you will receive your student number (which is also the user name for the school web system) and password. You will be able to view and select course then. If you need further information about the programs offered, you may also check their websites <http://www.stust.edu.tw/en>

### 3. Admission, Transcript and other documents sent from STUST

Your admission letter, transcript and other documents sent by STUST will be sent to the international office of your home university while you receive an electronic file at the same time when we send the original.
