

Call for the paper

Dear Colleagues,

We are now accepting registrations and abstracts for the 9th International Symposium on Plasmas & Fine Bubble (9th ISFPFB 2025) will be held at Rajamangala University of Technology Lanna, Chiang Mai, Thailand, August 6-8, 2025. This symposium is initiated further to provide an open forum for the introduction and discussion of the most current status of innovative scientific and technological achievements in the interdisciplinary versatile fields of plasma and fine bubbles applied to agriculture, aquaculture, and food safety.

This symposium is initiated further to provide an open forum for the introduction and discussion of the most current status of innovative scientific and technological achievements in the interdisciplinary versatile fields of plasma and fine bubbles. The conference will bring together the world's leading researchers and technologists in the field.

We are pleased to invite you to participate in this symposium and present your new results in the field. If you have any questions, please don't hesitate to contact us by sending an email to Dr Chiti Sritontip (Chiti@rmutl.ac.th), Dr. Rattanaporn Norarat (Rattanaporn@rmutl.ac.th) or Dr.Sakuntala Saijai (Sakuntala@rmutl.ac.th.).

The 9th ISFPFB 2025 homepage is now available.
